As Hashing, sober or not, is an inherently dangerous activity and as I'll probably have an adult beverage or 42 this weekend, I realize I may injure myself. When this occurs -and it will to some extent - I promise, scouts honor, cross my fingers hope to die, that I won't hold any member of the NorthSouth '09 mismanagement responsible. By signing the above, I acknowledge that I am responsible for my own dumb-assed actions. Having said that, I'm ready to take Arroyo Grande by the balls this weekend and have a kick-ass time.

On-On to NS'09.
